**Section 5 – Targets** **Initials_____**

KRGC provides some target stands and sticks that are to be placed in the moveable stands or in the mounted holders located behind the railroad ties at the 5-, 15-, 50-, 100- and 200- yard lines.

- Bring cardboard at least 24 inches wide to attach to the sticks in the stand holders.
- Bring targets to be affixed to the cardboard.
- Bring a stapler and staples to affix the cardboard and targets.

Members are allowed to bring personal target stands. Targets must be mounted high enough, so rounds impact the 100-yard berm.
